Dear Friends and Colleagues,

Attached please find a complimentary copy of the video documentary recently produced on the demolition of the Asarco East Helena stacks. Your assistance in completing the documentary is greatly appreciated. The stacks were an icon of the East Helena community and a daily reminder of Asarco's contribution to City of East Helena and the region. We are proud of the fact that the stacks came down safely and that the event was shared with so many of our neighbors.

Copies of the documentary will be on file at the Montana Historical Society for research and review. It may also be aired on Helena Community television. Please check your local listings for dates and times.

Thank you again for your support during this completion of this important task.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jon Nickel". The signature is fluid and cursive, with the first name "Jon" and last name "Nickel" clearly distinguishable.

Jon Nickel  
Environmental Manager

**TARGET SHEET**  
**EPA REGION VIII**
